JANE BANKS	√	Jane should have well defined tight curl, with a half ponytail but leaving some curls hanging on the sides above her ears. There is a lot of tutorials on line on how to create the perfect curls with what you already have at home. You can use a straightener, curling wand or no heat. Please use whatever technique suits your hair the best. Some tips to keep in mind when curling hair: you need dry hair to begin with, apply some mousse or specific product for curling before you start, divide hair in small sections to achieve small tight defined curls that would last thru out the day. Do not forget to use hairspray at the end!	Touch-Up
